February 2024

Dear Ms. Reyes-Nungaray

I am writing to express my interest in obtaining a job as a school counselor. I am currently a junior in high school with a large interest in pursuing a career in the counseling for education field and helping students pursue their education. This job would provide me with a furtherment of my knowledge, skills, and resources that are special to your department and I can use in my studies and degree. I believe this opportunity would be good for me considering I am hard-working, organized, dedicated, responsible, and so much more. Academically, I have been excelling in the courses I have selected including Dual-Enrollment History, Math 3, Spanish 3, AP Language and Composition, Physics, and Student Government and Leadership. I have been able to give back to my community in many ways and provide leadership. I am eager to have this possible opportunity to not only further my knowledge in school counseling but better my skills in communication, teamwork, and more. Any opportunity to work in school counseling would be exceptional and help to further my career. The knowledge that I have gained over the past few years has further intensified my love and interest in school counseling. I would be eternally grateful to receive the opportunity to be able to learn from you. I can be contacted both via email at xmdeltoro@gmail.com or by phone at (209) 302- 5047. I look forward to learning from you and furthering my knowledge. Thank you for your time and consideration.

Best Regards,

Ximena Del Toro
